Subject: Presentations and handouts from last week's meeting

Hello -

Here is a link to an EPA web page containing the presentations and handouts from the Bristol Bay intergovernmental technical team meeting. The links are in the box on the right hand side of the page. Please let me know if you have trouble viewing any of the materials.

I enjoyed the opportunity to meet each of you last week and appreciated the active participation in the meeting by everyone who attended. Here is the contact information for all of the meeting attendees:

Thanks for taking the time to come to this meeting and share your thoughts, questions and perspectives about EPA's Bristol Bay watershed assessment.
